Take the Prep Class at Champions School of Real Estate.®

After completing your required courses, we strongly recommend that you complete the State Exam Prep course to ensure you are prepared for the State Exam. This class takes the guess work and stress out of testing and you may repeat the course as many times as you want for a full year! We recommend taking the Prep course at least two times before sitting for the state exam.

4

Receive Your Letter from the State of Texas and Take the State Exam at PSI.

Once you receive your approval letter and the “Candidate Information Brochure” (CIB) from TREC, you must schedule to take your exam with PSI Examination Services. Appointments can be made by calling (800) 733-9267 or visiting www.psiexams.com. The cost is \$61 payable to PSI. Passing Percentage for the Salesperson Exam is 70% and the passing percentage for the Broker’s Exam is 75%.

NOTE: You must pass the state exam within one year of the application approval. Also, do not forget to download your FAST Print Pass www.trec.state.tx.us/FASTPrintPass/ using the nine digit ID number from your award letter and get your fingerprints done. Fingerprinting fee is \$44.20.

Congratulations!

Your active salesperson’s license will arrive in the mail to your sponsoring broker’s office once you have submitted your sponsoring broker form to TREC.

SAE Requirements: You are required to complete 60-hours of Salesperson’s Annual Education (SAE) within your first year. Education must be submitted to TREC at least 10 days prior to the date of your renewal. You can fax course completion certificates to the TREC education department 512-936-3863.
